

## ATTENTION ALL CAMPERS

We would ask that you please leave the site as you would wish to find it and complete the following tasks before departure.

- Clean the campfire circle and any fire bases used.
- If you have used wood please take the surplus back to the wood store.
- If you have used the outdoor classroom please ensure it is cleaned.
- If you have used the ovens or bbq please ensure they are cleaned.
- Check and flush the toilets, sweep floors and empty bins. Clean outdoor sink area. It might be an idea to check the toilets a couple of times a day.
- Please ensure that all rubbish is in the bins near the gates and not left on the grass.
- If you make shelters please dismantle them and tidy away what you have used.

Do not be greedy with the wood. Only use what you need. Think of the ozone!!

Fires are not permitted on grass, please use firebases.

No wet pits are to be dug.

If your group would like to do some camp service during your stay please speak to the duty warden.

`A good scout should leave the site better than they found it` BP

Thankyou  
Spitewinter Management Team
